Hon. Commissioner of Patents
Washington, D.C. 20231

ATTENTION: BOX NON-FEE AMENDS (PATS)

Sir:

This is in response to the Office Action of August 9, 1991, a reply thereto due on or before November 9, 1991.

Kindly amend the subject patent application as follows.

In the Claims:

B1
1. (Amended) A state changeable memory alloy changeable [capable of changing] from a first state to a second state in response to the input of energy, said alloy having a first detectable characteristic when in said first state and a second detectable characteristic when in said second state, and said first and second detectable characteristics
